# Reflections

Things never stay the same, they never have and they never will. This world has always progressed forward. However, there are moments in our lives which are so beautiful that one almost wishes that they could continue to live these moments forever. This is impossible as you know, but love can preserve these moments through photography and our memories.

Whenever you pick up this annual in some future time and reflect back, I hope that you will remember, with pride and maybe with a little warmth, those days.

Remember, the past is what you made it, the future is still under construction.

## Dedication

Once each year the annual staff chooses a person whom we feel exemplifies the highest measure of character, unselfishness, love, of his fellow man, and love of God. This year we dedicate the 1971 Wildcat's Track to Jim Moore. A man whose life could be an example to us all.

'Tis the last rose of summer,  
Left blooming alone;  
All her lovely companions  
Are faded and gone;  
No flower of her kindred;  
No rose bud is nigh,  
To reflect back her blushes,  
Or give sigh for sigh.

## Class Prophecy

Here in the Golden Palace surrounded by reflections of the past, it is easy to see the mirrored images of the future.

If you will concentrate on the magic mirror the future of the Seniors of 1971 will mystically appear -

As we see in the future, LINDA KERSTEN will open a chain of custodial schools that will become famous across the nation for teaching young men to become men just like Marvin.

DOUG alias TINY WARR will some day grow up to replace Dan Blocker as Hoss on Bonanza?

TOMMIE LOWERY and Smokey the Bear are sure to become the best of friends.

Tricia MOORE will become a telephone operator and take the place of Lillian Tomlin on Laugh-In.

SHEILA WHEELER, after her many years of struggling, will finally become the head popcorn maker at the Mansfield Twin.

After receiving fame as the singer of the great hit single, DIRTY OLE EGG-SUCK-ING DOG, BILL REDMON becomes known as Big Bad Bilwy.

VICKIE PLUMLEE becomes well-known for inventing a can opener shaped like a crooked finger.

RICKEY CAIN will invent a new diet pill which will enable him to lose 420 lbs. in 2 weeks. Only trouble is he will still weigh 420 lbs.

MICHAEL OTIS will become famous for his outstanding role as Peter Pan along with his sidekick DWYANE DAUGHTRY as Tinker Bell.

SHARON BEZDEK will run for the All-American girl in the U.S.S.R.?

RANDY LOFTIN will ride the open plains with his wife and become another Roy Rogers and Dale Evans.

JOE DUNN will become famous world over for opening a chain of service stations selling HUH-HUH gas!!!

DAYLE HONEA will open a string of "Honea's Hairdressers" beauty shops which will specialize in extra-long eye-lashes and facial mud packs.

MIKE CARROLL will start his own private airline with twice-a-day, non-stop flights directly to Lewisville.

After graduating from N.T.S.U., majoring in paint by numbers, BARBARA BALL is under contract to rejuvenate the water tower of Kennedale.

GLEN THOMAS will go to broadcasting college and succeed his boyhood idol, Howard Cosel.

LATRICIA WASHBURN, as we see her in the future, will invent a motorcycle for girls to ride with a side-saddle seat.

MIKE MILLER will be seen daily on his TV program, "Love That Mike!"

MARGUERITE WOOD will become head cheerleader of the Electoral College?

DIANE ROPER returns to Kennedale High to replace Mr. Simpson as Driver's Ed. teacher that is if she can stay awake long enough!!

RANDY BROWN will be employed at the Ft. Worth Public Zoo teaching the ducks how to walk.

MITZIE RILEY will be called upon in the future years to star in the leading role of Love Story; but we hope she doesn't have leukemia.

GAYLE HONEA at the local 36 AA is seen burning her bra and signing a contract with the Harlem Globetrotters.

As we view into the country stable, we see PAM ROBERTS mounting her old gray mare, preparing to do her thing as Lady Godiva.

And we know PAM BARNES, our great nature lover, has finally completed her book, Waldens Pond.

REX PENNINGTON will become famous for his invention of a pair of indestructible, invincible, and barnyard proof cowboy boots.

GAYLORD WALDEN, needing to make this last and final putt to capture the lead in the U.S. Open is suddenly stopped in the middle of his swing by an enthusiastic by-stander asking for his autograph on a book called Waldens Pond?

STEVE HARVEY has now graduated from the four letter words into the five letter words.

SANDRA STORRS, the Kennedale Short Hand Champion, puts her ability to work as a high speed diaper changer.

BRENDA RUSSELL, after all these years has found herself - on the center fold of Mad Magazine.

RONALD WATSON other wise known as Bimbo, is now completing his Senior year at the Sleep-Aire School. He is working for his Mattress Degree?

TOMMIE JONES and WAYNE HULL become famous multi-millionaires by charging a dollar an hour to park at the Forest Hill Dairy Queen.

HAROLD BIGGS is now a well-known author of a best seller sex manual, Everything You Wanted to Know About Jr. High Girls, but Were Afraid to Ask.

PAM WINTERS owns a thriving potato chip factory, here in Kennedale, but her biggest competition is still Horton's Potato Chips in Brownwood.

Kennedale is all astir, JEAN HACKNEY has finally met her mental match and has announced her engagement to an IBM Computer?

TROY NEAL has opened his new car lot, Troy's Ford in downtown Kennedale, after he found out that Ford has a better idea.

MIKE DUPRE becomes famous for publishing, "21 Ways to Get Sick on a Continental Trailways and Not Get Caught," which is now given to each Senior world-wide before going on their Senior-Trip.

As we see, CHUCK HALLOWAY in the future, he is doing what he does best, NOTHING!!!

EILEEN McDONALD will be famous for her fantastic cooking show, but will be cancelled when, the Health Department discovers a metal comb, in her German Sweet Chocolate Cake.

METTA HEAD UPCHURCH has smacked her gum and bounced her way into the hearts of millions. Her 12 children can all be identified by the diamond studded spoons stuck in their mouths.

As the images of the future fade from sight and the mirrors that surround return to the present we will have to wait to see if the prophecy will come true. Of course we wish for the Seniors of '71 the best of luck.

## Seniors '71

# Class Will

I, Barbara Ann Ball, being of undernourished mind and overnourished body, do hereby will DIANA CRAWFORD the ability to resist Mr. Godfrey's charms during her senior year and the ability to understand the Troll. And to LINDA KOBECK the ability to not be sick in P.E. everyday and to be engaged only once in four years.

I, PAM BARNES, being of "Hope Chest" and "Freckled Body" do hereby will to DON (Duck) LEACH a secret treasure map to the Bait Shop Supply Depot, and the patience to wait his turn to read my secretly hidden nature books in Austin. And also to DEBBIE BIONDI my extra pair of eyes to wear on the back of her head in Mrs. Hendrick's Journalism Class. These will give Mrs. Hendricks the impression that you are listening to her when you are very much interested in what Don is doing in the back of the room. ## Our Teacher of the Year

Mr. Godfrey has been with us from the 7th grade. We were his first class and he has helped us throughout our high school years. Now that we, the class of '71 are gone, he will have a new set of kids to guide. We just want to thank him for what he has done and we won't forget him for it.
